

dbArray::dbArray

```
graph LR; A[dbArray::dbArray] --> B[dbTableDescriptor::size]
```

A diagram showing a pointer relationship. On the left, a gray rectangular box contains the text 'dbArray::dbArray'. A blue arrow points from the right side of this box to the left side of a white rectangular box on the right. The white box contains the text 'dbTableDescriptor::size'. Both boxes have a black border.

dbTableDescriptor::size
